- 9 2017 1101 – The erection of a detached dwelling at 13 Mount Pleasant Road, Repton – full permission granted

Standing Orders Resumed

2417/17 COUNTY, DISTRICT AND PARISH COUNCILLORS' REPORTS

- a) District Councillor Stanton advised the meeting that green waste and the recycling would not be collected over the Christmas period, due to Bank Holidays; however additional black bags would be collected.
- b) County Councillor Ford had received complaints following a road closure in Milton, on an unscheduled day, and would investigate this issue; he had also received a request from the WI to place plants around The Cross next year to commemorate 100 years of the WI, and whilst requiring further information, in principle, County Councillor Ford was supportive of this idea and could provide some funding.
- c) County Councillor Ford had also received parking complaints regarding the junction of Pinfold Lane and Main Street; cars were parking on the pavement obscuring the vision line. The Clerk would write to the hairdressing business requesting that their customers were informed of this problem.
- d) Councillor Lloyd had been asked for the location of the grit bins and requested a list to be published in the Parish Magazine. It would state that the grit was for use only on public paths and roads.

2418/17 CLERK'S REPORT

a) Benches

The Clerk reported that no comments had been received from local residents concerning placing the existing bench on Fisher Close, overlooking Matthew's Farm. Searches would now be undertaken. A local resident had requested a further bench, dedicated to a family member, to be sited possibly at the top of Askew Grove, close to Springfield Road; the family would fund the project.

RESOLVED: Councillors would visit the location and if unsuitable, suggest a further option. The bench would be located in the village on the basis of the family funding the purchase and installation.

b) Pavement from Repton to Willington

Highways Department, DCC, had responded to our request for the hedge and grass to be cut back stating that there was no problem with overgrown vegetation.

RESOLVED: Councillors believed the footpath was too narrow and unsafe and asked County Councillor Ford to arrange a site visit with the Inspector.

c) Summer Holiday Activities 2018

Details of the scheme organised by SDDC had been received.

RESOLVED: The Parish Council would book four activities, similar to those held this year.

d) A Boards

Highways Department, DCC, had responded, stating that the boards did not present a health and safety issue and they did not see a need for them to be removed.

RESOLVED: The Parish Council would not proceed with any further complaint as they proposed placing a planter on the triangle area next year.

e) Defibrillator for Broomhills Pavilion

A letter had been received from Repton Casuals stating they would not be pursuing the installation of a defibrillator.

2419/17 CHAIRMAN'S ANNOUNCEMENTS

The Chairman reported that following Councillor Shortt's resignation he had been informed that should he wish to be reinstated as a Councillor, he was required to apply for co-option. A request had not been received.

2420/17 CO-OPTION OF COUNCILLORS

The Chairman reported that there had been five applicants for the three places, which was very encouraging.

RESOLVED: The co-option of Councillors would be discussed in the closed session at the end of the meeting.

2421/17 REPTON VILLAGE HALL PROPOSAL

The referendum results were: Total votes cast 435, Total in favour 337 (77.5%), Total against 96 (22.5%) Spoiled papers 2. The turnout was 38.1%

The Chairman raised Standing Orders

The Chairman outlined the progress made since the last meeting: Councillors had discussed design issues; Councillor Perks had researched a future governance structure with RAD and the Clerk had consulted with Dalc, in particular regarding value for money; s137 monies could be utilised should further structural reports be required.

Councillor McGahan reported on the site visit by Timberwise, a company with experience of Vic Hallam buildings and their refurbishment. Their report would be available in the next few weeks and until published they were unable to comment on the viability of refurbishment. Councillor Thompson stated that if only a 10 year guarantee could be offered on any refurbishment work that would be unlikely to give sufficient confidence to favour that option.

A member of the public said that a structural report on the Village Hall had been published 11 years ago and the defects should have been rectified sooner. He believed the building could be repaired and refurbished and questioned on what basis was the existing hall not economically repairable.

A second member of the public stated that the Village Hall Committee believed it would be able to provide a multi-purpose village hall, more suited to the needs of users, by rebuilding. Councillor Perks said that all options had been considered by the Committee and independent advice had been taken regarding the rebuild.

Councillor Lloyd, having experience of organising events in the hall, said the current structure was not fit for purpose.

Councillor Perks reported that a hybrid structure of a Charity Incorporated Organisation was being proposed for the new Village Hall and the Parish Council would be able to nominate a trustee. RAD had also requested a quote for the legal work required.

RESOLVED: The Parish Council would await the recommendations of the Timberwise report before making further decisions regarding Repton Village Hall.

The Chairman reinstated Standing Orders.

2422/17 REPORT OF THE FINANCE COMMITTEE 27.11.17

The report had been circulated prior to the meeting.

RESOLVED: Councillors agreed to adopt the minutes of the Finance Meeting.

2423/17 PRECEPT 2018/2019

RESOLVED: Following the referendum the Councillors agreed unanimously to increase the Parish Precept to £39,903.00 per annum, for the financial year

commencing 1st of April 2018. This figure results in an increase of £20.84 per Band D household, £35.82 per annum for a property in this Band.

2424/17 FREEDOM OF INFORMATION ACT POLICY

The Clerk had circulated the details prior to the meeting.

RESOLVED: The Councillors adopted the Freedom of Information Act Policy.

2425/17 HARASSMENT POLICY

The Clerk had circulated the policy prior to the meeting.

RESOLVED: The Councillors adopted the Harassment Policy.

2426/17 NEIGHBOURHOOD PLAN PROGRESS REPORT

Councillor Thompson reported that following the consultation period SDDC had now received tenders for the role of Examiner. The District Council will recommend an Examiner to the Parish Council for consideration. Only 2 comments were made during the consultation period and the Examiner will resolve any issues raised.
